RELEVANT SKILLS

- Proficient in full-stack web development, including HTML, CSS, JavaScript, Python, and SQL
- Experience with popular frameworks and libraries such as React.js, Django, and PostgreSQL
- Strong understanding of software development principles and methodologies
- Ability to collaborate effectively in team environments and adapt to changing project requirements
- Excellent problem-solving skills and a commitment to continuous learning and improvement

ABOUT

As a software engineering student, I am deeply passionate about the intersection of technology and societal progress. My academic background and practical experience have equipped me with a strong foundation in full-stack web development, including proficiency in front-end and back-end technologies.

EDUCATION HISTORY

Bachelor of Science in Software Engineering

Institution: Murang'a University of Technology

Year: 2021-present

Kenya Certificate of Secondary Education

Institution: Christ The King Kirwara High School

Year of graduation: 2020

CERTIFICATIONS

Python Essentials

Institution: Cisco Network Academy
2024

Cisco Packet Tracer

Institution: Cisco Network Academy
2024

Introduction to Data Science

Institution: Cisco Network Academy
2023
